

# Libertarians for Justice Pledge

On Behalf of the People of the United States of America, the undersigned **DEMAND JUSTICE FOR THE VICTIMS** of the terrorist attacks on September 11th, 2001.

**For the families** who have fought bureaucratic stonewalling;

**For the rescue workers** who are still dying of mysterious illnesses;

**For the researchers and experts** who have dedicated their lives to researching the government's conspiracy theory;

**And for the American people** whose freedoms were surrendered to the terrorists by our own government.

We, the undersigned, demand a publicly conducted Congressional inquiry, with full subpoena power, into the largest terrorist attack in American history.

The committee shall meet, ask questions, and demand answers until ***We the People* are sure beyond a reasonable doubt that the terrorists have been brought to justice.**
